This matter is before the Public Service Commission of South Carolina (the Commission) on Southern Bell Telephone and Telegraph Company's (Southern Bell's) Petition to Intervene Out of Time. Southern Bell asserts that the deadline for intervention was May 4, 1992, but that, due to accidental oversight, it was unaware that Tel-Sav, Inc. had filed this Application. Southern Bell filed this Petition on May 5, 1992. Southern Bell asserts that permitting it to intervene in this proceeding will not delay the hearing.

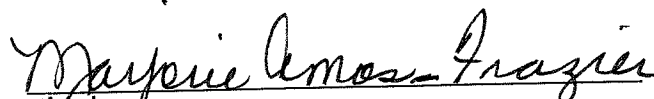

The Commission finds that Southern Bell's Petition to Intervene Out of Time should be granted. The Commission notes that Southern Bell's Petition was filed only one day after its Petition to Intervene was due and that Southern Bell's intervention will not
